

The Silver Anniversary Number
of
The Journal of Laboratory and Clinical Medicine
is dedicated with deep affection

To

DENNIS E. JACKSON

The one member of the Editorial Board who has served the Journal and
its readers through the entire twenty-five years of its existence

and

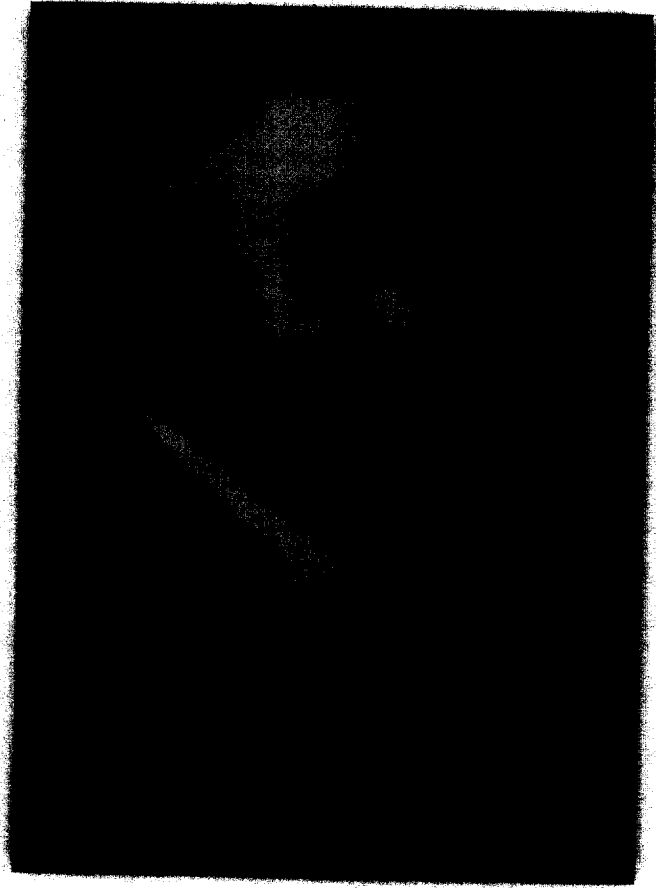

To the memory of

VICTOR C. VAUGHAN

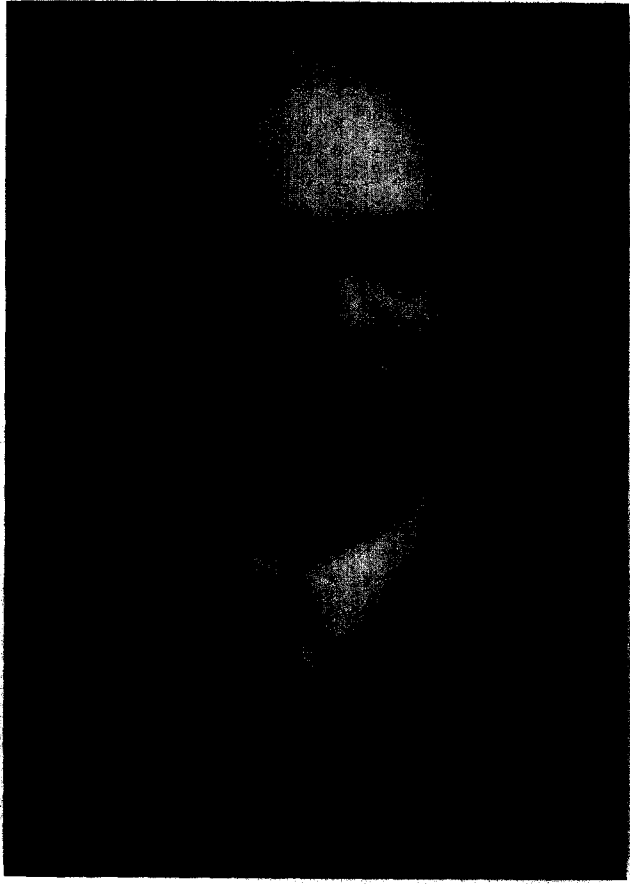

The first editor of the Journal who guided it through its formative years,
building the firm foundation of combined service and leadership which
has made the Journal the success that it is, as it starts on the second
stage of its journey

To a Golden Anniversary Number

W. T. V.

VICTOR C. VAUGHAN

DENNIS E. JACKSON
